LEGENDARY DESIGN

Sora comes from the mind of Ken Okuyama, designer of the Ferrari Enzo and the Maserati Birdcage. His designs are bold, visionary statements of the place where art meets precision. Tasteful. Comfortable. Enduring. Every Sora True Zero Gravity chair is a work of art.

MAIN FEATURES

True Zero Gravity with Comfort Control Technology

Ultra smooth, quiet, and easy-to-use electric recline

Independently adjustable back recline and footrest, each operated by independently controlled motors

Fully retracting legrest for easy in and easy out

100% die-cast aluminum front and rear legs

Adjustable and removable cervical support pillow (neck bolster) to encourage proper alignment of the upper spine

Adjustable and removable lumbar support pillow to provide full lower back support

Removable arm cushions carefully crafted to curve, following Sora's smooth lines

Articulating adjustable headrest for the perfect level of head and neck support

Strong, durable steel frame construction

Extra long AC power cord for convenience

Battery backup

3-year limited warranty with on-site service

Designed by Ken Okuyama

Meticulously crafted in Japan

SORA CRAFTSMANSHIP

Sora is a timeless interpretation of contemporary luxury that will stand out as an enduring work of art in your home.

Exceptional hand craftsmanship and thoughtfulness in every detail make Sora an indulgent escape: a respite beautiful and bold, designed for a lifetime of performance and pleasure. Our recliner's quiet visual power and allure are enhanced by the stunning and considered lines of the die-cast aluminum front and rear legs. Hand-stitched fine upholsteries, enhanced by contrasting thread, highlight the sleek, smooth lines of Sora's profile. Crafted in anticipation of a lifetime of appreciation, Sora is truly a functional work of art.
